

**NEW HAMPSHIRE  
OFFICE OF CONSUMER ADVOCATE  
UTILITY ANALYST III**

The State of New Hampshire Office of Consumer Advocate (OCA) seeks an experienced Utility Analyst III. The successful candidate shall possess superior analytical skills, work well independently as well as in collaboration with a team of professionals including attorneys and other analysts, and demonstrate commitment to the public interest. Job assignments include performing comprehensive analysis of complex utility filings; making recommendations concerning public utility rates, services, rights and responsibilities; and preparing and presenting written testimony on issues including cost of service and rate design. Requires Bachelor's in business, mathematics, finance, economics, or engineering, seven years experience in the analysis, regulation or management of public or private corporations or the operational phases of public utilities, two years of which shall have been dealing with rate analysis or one year of which shall have been at a public utilities regulatory commission, or an equivalent combination of education and experience. Preference will be given to candidates with experience analyzing utility issues in a regulatory setting. Salary range is \$45,630.00 to \$54,463.00, plus a comprehensive state employee benefits package. For further information visit [www.oca.nh.gov](http://www.oca.nh.gov). For employment application visit Division of Personnel [www.nh.gov/hr](http://www.nh.gov/hr). Please return the completed application referencing position #18221 to Kelly Logan, Business Administrator II, Public Utilities Commission, Business Office, 21 S. Fruit St., Suite 10, Concord, New Hampshire, 03301, (603) 271-6008 on or before May 21, 2007.
